

PLAINS OF ABRAHAM PLAINES D'ABRAHAM

2018 - Certificate of excellence
Rating of 4.5 / 5

The site of many clashes for supremacy between the French and British Empires, the park is the scene of the 1759 Conquest, which changed the fate of North America. Apart from its historical past, the park is to Québec what Central Park and Hyde Park are to New York and London: a city park of outstanding value, the lungs of the city.
