Dear Jean,

Before time continues to slip by, Bill Cunningham and I were pleased to have been able to participate in the recently-held familiarization visit to the Greater Quebec Area.

We both found the time to be very well spent, and the hospitality was great! Plus, it is always a worthwhile experience to network with other travel industry associates.

Be assured that Quebec will continue to be at the top of our list of future destinations for our clients.

Yours truly,

Ron M. Powell, Manager
